# WELCOME

## DANIEL TODARO

A warm welcome back to The Londoner for the TRIC Christmas lunch. The TRIC committee is very grateful for all of you being here giving your support at what is my final TRIC event as Chair. It's been an exciting two years as TRIC Chair and as I reflect on my chairmanship, I've got to admit, reinventing this 100 year organisation has been a welcome challenge.

Expanding the work of previous Chairs - Richard Lindsay-Davies & Jane Ostler - the rebranding of TRIC as a progressive, all inclusive and representative organisation was my goal and I hope you agree, it's evident.

As you know TRIC is a not-for-profit organisation raising funds for good causes and your kindness and spirit enables TRIC to do so for good causes on behalf of the industry. There are some quite impressive auction items for you to bid on by using the tablet on your table, also raffle prizes which you could win by buying tickets with the team, or maybe you'd just like to donate with cash or contactless in the room.

In 2023, TRIC has been raising money for 45 Aid Society, also Parkinson's UK, and will be handing over the efforts of all involved in supporting our TRIC 2023 charities. On that note, I'd like to thank our sponsors throughout this year, TRIC events would be impossible to deliver without you. In particular Euronics - The Home of Electricals, we continue to salute you for your generosity.

Today we are celebrating 50 Years of UK Commercial Radio, which revolutionised British broadcasting. At 6am on 8th October 1973 London Broadcasting Company (LBC) went on air for the first time, closely followed by Capital Radio on 16th October. To this day both stations continue to entertain and inform and extend the path for other broadcasters, nurturing so much talent in front and behind the microphone.

Radio is remarkably resilient. Despite the challenges from TV and Streaming, it has maintained its popularity. Some 88 percent of the UK population listen to BBC and Commercial Radio each week, listening for an average 9+ hours per week.

Today we are bestowing another TRIC Recognition Award to a pioneer of Commercial Radio and the TRIC Outstanding Achievement Award, to a talent whose career has spanned multiple generations. We will also be revealing our new President and TRIC charities for 2024, however I'd like to personally thank Rob Rinder - TRIC President 2023 - for his support and energy presenting our record breaking 54th TRIC Awards, our biggest in votes, attendance and press coverage.

It's certainly been another busy year, being TRIC Chair is a voluntary role and in today's rapidly evolving media landscape, it's a moveable feast. I'm proud of our achievements and I'd like to thank everyone who's attended, donated, voted or supported TRIC in the past two years. Without you, it just can't happen. My hope is that you continue to support TRIC with the same gusto and generosity.

Thank you, it genuinely has been an honour being your TRIC Chair.

# WELCOME

## ROB RINDER

A huge thank you to the TRIC Awards for asking me to be the President for the 2022-23 year. I didn't receive my official sash and tiara, but nonetheless it's been an incredible honour to be involved in the Award's 54th year.

I'm told that some of the TRIC Awards Winners are in the room today, so I'm sorry I couldn't be with you in person to celebrate, I've got my hands or should I say 'hook' full with rehearsals. But I wanted to send a huge congratulations once again.

The theme of the lunch is 50 years of UK Commercial Radio. Radio has been a big part of my career and something that I love doing. Over decades, people's taste change, mediums come in and out of fashion, new platforms emerge, but radio is still listened to by the majority of the UK. It's where we go for news, for entertainment, music and debates. It keeps us company on long drives and while working from home, and it isn't going anywhere anytime soon.

I want to send a massive thanks to TRIC for giving me the opportunity to recognise the greatest in our industry and an even bigger thanks for supporting the 45 Aid Society this year, which as you know is a charity super close to my heart so thank you if you've donated. 45 Aid Society is an organisation founded by Holocaust survivors brought to the UK at the end of WWII. They went on to teach the world about the dangers of tyranny, something we very much still deal with today. My mum Angie is with you today - so go and say hi if you want to learn more about the work they do. (Sorry mum!)

Finally, thank you to everyone that's been involved in TRIC this year, to you at the lunch, to those that came to the Awards, the winners, those that've donated, to the Chair Daniel Todaro. It's been an absolute pleasure.

And with that, I pass over to next year's President. To whoever you may be, you sadly don't get given a sash.

**Rob Rinder**

## LAST CHRISTMAS

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special, special  
Last Christmas I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special, special

Ohhh

Once bitten and twice shy  
I keep my distance, but you still catch my eye.  
Tell me, baby, do you recognize me?  
Well, it's been a year, it doesn't surprise me  
(Merry Christmas) I wrapped it up and sent it  
With a note saying, "I love you," I meant it  
Now I know what a fool I've been.  
But if you kissed me now, I know you'd fool me again.

### CHORUS

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special, special  
Last Christmas I gave you my heart  
But the very next day you gave it away  
This year, to save me from tears  
I'll give it to someone special, special

Oh, Oh my baby

A crowded room, friends with tired eyes.  
I'm hiding from you and your soul of ice.  
My god I thought you were someone to rely on.  
Me? I guess I was a shoulder to cry on.  
A face on a lover with a fire in his heart.  
A man under cover but you tore me apart, ooh-hoo.  
Now I've found a real love, you'll never fool me again.

### CHORUS

A face on a lover with a fire in his heart  
A man under cover but you tore him apart  
Maybe next year I'll give it to someone  
I'll give it to someone special  
Special... Someone...

## ALL I WANT FOR CHRISTMAS

Oh I don't want a lot for Christmas  
There is just one thing I need  
I don't care about the presents  
underneath the Christmas tree  
I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you, yeah

I don't want a lot for Christmas, there is just one thing I need  
And I don't care about the presents, underneath the Christmas tree  
I don't need to hang my stocking, there upon the fireplace  
(I) Santa Claus won't make me happy, with a toy on Christmas Day  
I just want you for my own (ooh ooh ooh)  
More than you could ever know (ooh ooh ooh, ooh ooh ooh)  
Make my wish come true  
All I want for Christmas is you  
You, baby

Oh, I won't ask for much this Christmas, I won't even wish for snow  
And I'm just gonna keep on waiting, underneath the mistletoe  
I won't make a list and send it, to the North Pole for Saint Nick  
(I) I won't even stay awake to, hear those magic reindeer click  
'Cause I just want you here tonight (ooh ooh ooh)  
Holding on to me so tight (ooh ooh ooh, ooh ooh ooh)  
What more can I do?  
Baby, all I want for Christmas is you  
You, baby

Oh, all the lights are shining, so brightly everywhere  
And the sound of children's, laughter fills the air  
And everyone is singing  
I hear those sleigh bells ringing  
Santa, won't you bring me the one I really need  
Won't you please bring my baby to me  
Oh, I don't want a lot for Christmas, this is all I'm asking for  
(I) I just want to see my baby, standing right outside my door  
Oh, I just want you for my own (ooh ooh ooh)

More than you could ever know (ooh ooh ooh, ooh ooh ooh)  
Make my wish come true  
Baby, all I want for Christmas is you  
You (ooh baby)  
All I want for Christmas is you, baby  
All I want for Christmas is you, baby.....
